**511 (FROM ANY CAMPUS PHONE)** SPECIAL SERVICES 215-898-6600 215-898-WALK

## SECURE YOUR HOME AND PROPERTY

The Division of Public Safety strongly urges on and off-campus residences to be diligent in making sure their property is protected and secured.

Burglars can be in and out of a home within a matter of minutes. Even if you are leaving your place of residence for a short period of time, make sure your home and property are properly locked and secured. By practicing some basic safety tips, you can increase the chances of deterring a potential theft or burglary at your residence.

### Windows

Make sure all windows are shut and locked prior to leaving your home.

Do not leave first floor windows or windows that are easily accessible from outside open when going to sleep or leaving the residence.

### Doors

Check your door to make sure it is locked anytime you leave your residence.

After you close and lock the door, turn the handle and push on the door to make sure it is both locked and secured.

### Property in Plain View

If you leave your bicycle or any other property on your porch, make sure it is properly locked and secured.

If possible, bring your bicycle or other property inside your apartment when you are not using it.

### Property Registration

Register your property!

You may register an unlimited number of items such as electronics, laptops, collectables etc.

Faculty, Staff and Students can all register their property by following the below listed directions.

#### PROPERTY REGISTRATION & U-LOCK PURCHASES

Penn students and faculty/staff can register their bicycles, online with the University of Pennsylvania Police Department. Students with an SFS account can purchase a U-Lock via CampusExpress.

By registering your property, you will increase the chances of recovery should your property ever be lost or stolen. You will also receive a registration sticker which will help to serve as a visual deterrent.

#### STUDENTS

Penn students should log onto CampusExpress Online at <http://campusexpress.upenn.edu>, and selecting "My Property Registration."

#### FACULTY/STAFF

Penn faculty and staff should log onto U@Penn, at <http://www.upenn.edu/u@penn>.
