Directions on How to Register and Update Your Information for UPennAlert

http://www.publicsafety.upenn.edu
To get started, log on to PennInTouch:
https://medley.isc-seo.upenn.edu/pennInTouch/jsp/fast.do?fastStart=explicit&page=emergencyContact

Add Your Personal Contact Information!

1. Under the section “Profile, privacy & emergency” navigation link choose “Emergency contact”

2. Enter your personal emergency contact information in the appropriate fields.
   You can include information for your parents, guardians or other loved ones. Do so, by using one of the other device fields.
   After you have reviewed the information entered, click on the Update button.
